Giving Is an essential part of worship to God. The offering basket is on the chair at the front. Please take time to place your offering there before the service, at the end of the service or during our greeting

Family Care:

Pray: Larry and Marylou Pisak
Pray: For the impossible prayers we have.

Praise: That **God is Great**, so we don't have to be in control
Pray: For our loved ones who need to know Jesus.

Thought: Entrusting ourselves to the Lord means entering into his plans without demanding anything.
